I. STUDY SESSION

1. Call to Order

Chair Jessica Norouzi called the meeting to order at 1:21 P.M. and noted a quorum.

There was a Zoom outage, which delayed the start of the meeting. A Teams alternative was offered, and the meeting commenced in-person as usual.

2. Public Comments

There were no public comments.

3. Program Fees

Vice President Jacob Jackson briefed the group on program fees. The Program Fees Committee looked at comparable local colleges. Some fees will be raised, reduced, or eliminated. VP Jackson walked the group through an in-depth breakdown of each fee and reasoning behind any proposed changes. Some programs will have fee increases due to supply costs. These fees are per quarter. Ampersands on VP Jackson's sheet indicate transfer-level courses. The increase for medical fees is due to more robust data on consumable materials needed for student practice. Executive Director Carrie Shaw noted that students can apply scholarships to fees and tuition, as well as a grant that covers book and lab fees and equipment. VP Jackson stated that fee increases don't outprice RTC when compared to other local colleges. Chair Norouzi asked about revenue gain. Revenue will increase, but the overall consumable fee will be largely static. Fee review is every other year to provide consistency to students. Chair Norouzi thanked VP Jackson and the committee for their due diligence.

4. Health Sciences Building Naming

ED Shaw noted that about two years ago, Denny and Bernadene Dochnahl approached the Foundation and stated that they had named the RTC Foundation in their will as the recipient of commercial property title. Once realized, this bequest will represent one of the largest gifts to a community or technical colleges in the state and is the largest gift that RTC has received. The bequest is currently a pledge, as outlined in the RTC and Foundation Naming Policy. The Dochnahls have been strong advocates for RTC and instrumental in reestablishing major donor relationships and successful fundraising events. Denny was a founding member of the RTC Foundation in 1994 and currently serves as a Board member emeritus. When Bernie passed away in January 2025, Denny revisited the idea of a naming opportunity tied to their bequest. With Bernie's many leadership roles and work in healthcare, RTC's new health science complex he welcomed the idea to honor

Bernie's legacy and love for the college. Trustee Frieda Takamura stated that "this is Renton history" and thanked ED Shaw to her work on these relationships.

President Harden stated that Bernie was passionate about nursing, access to healthcare, and community. Trustee Takamura commented that the Dochnahls fostered many students of color. President Harden noted the naming policy and shared that Denny plans to attend the regular meeting. Trustee Takamura said that a great hesitance she has had was in naming buildings. However, she is in support of this naming. Chair Norouzi said that she has some questions around naming, but when we have opportunities to use naming to showcase people who have been instrumental to the RTC community and have worked to increase access to education, this can be a good thing. The Board asked questions about Foundation policy and ED Shaw walked the group through the Foundation's gift policy and valuation.

Leo Ragual from the Associated Student Government (ASG) provided a report, including activities around campus. Yesterday, there was a game day, which students reported enjoying. There will be a ASG Luau on May 13 from 12:30 P.M.-2:00 P.M. in the Cafeteria. This will include dancers, activities, and food. The Graduation Fair Celebration will be May 28 with cap decorations, applying for graduation, RSVPing for Commencement, distribution of cords, cap and gown pick up, and colleges and employers tabling. There will also be a barbeque, t-shirt tie dying, and more! Last week was a Coffee and Chill and a mascot vote with more than 300 votes. The Raven won as the RTC mascot.

Trustee Frieda Takamura introduced a motion to approve the Raven as the RTC mascot. Trustee Bob Zappone seconded. The motion carried.

The 35th Annual Student of Color Conference, a three-day experience that focuses on identify development, awareness of others, skills development, social justice and social activism, and personal development. Jullian Rocha reported out about his African American/Black identity, and how he feels happy and proud knowing that he is comfortable in his own identity. Leo attended the Men of Culture Academy, that included singing a 4,000-year-old Muckleshoot song and discussed service, their journey, and their identities as men. Angel De La Garza attended Saul Flores' The Walk, which was a session about where we come from, what our parents sacrificed, and what more they could do for their communities. Not only should we see the sacrifices we made, but this session helped the attendees see what sacrifices others made. Chair Norouzi thanked the group for sharing what they learned and the impact this experience made.

E. <u>Renton Federation of Teachers</u>

Donna Maher, President of the RFT, greeted the group and gave thanks for the time. She stated that the state has not yet passed a budget, and there is a lot of pressure to get the budget through. RFT would like to see a more progressive tax. RFT has met with Vice President Stephanie Delaney about teach outs, and mandatory training for adjunct faculty. The quarter is going well. There was a Zoom outage today and it was fixed quickly. Thank you to CTS. Trustee

Takamura asked how many adjuncts are at RTC. President Harden stated that there are about 150 adjunct faculty. Donna Maher stated that she does not know how many adjunct faculty are in RFT because some adjunct faculty belong to other unions.

F. Written (and video) Communication Reports

The Board received written and video communication reports. Trustee Takamura thanked the group for their reports. Trustee Takamura asked about the mismatch for the Building I construction. VP Jackson stated that the plans RTC had to provide to the architect were incomplete. ED Martinez noted that the DEIC Listening Session Results are on the campus climate page.

4. Action Items

A. Health Sciences Building Naming

President Harden introduced the Health Sciences Building naming in honor of Bernadene Dochnahl. The Board learned about "Bernie" and her legacy during the study session. ED Shaw thanked the Board and stated that it is her honor to talk about the Dochnahls. Their impact on this college is immeasurable. Denny Dochnahl is an emeritus member of the RTC Foundation Board and is a founding member who helped establish the Foundation with "seed funding." Bernie was known as a pillar in the community who believed strongly in the transformative power of education. She was a glass ceiling breaker for woman, serving as the first vice president for Puget Sound Energy and on the boards of Harborview, Valley Medical Center and UW Medicine. Bernie and Denny have created a bequest of commercial property to the RTC Foundation. Denny embodies generosity and a successful entrepreneur and started buying property at age 18. Bernie graduated from Renton High School and the couple have always lived in Renton. It is a distinct honor to receive this bequest. This will be the largest gift to the college and one of the largest gifts to a community or technical college in the state.

In recognition of Bernadene Dochnahl's leadership in the healthcare sector, her commitment to the Renton community, advocacy on behalf of Renton Technical College and Legacy bequest with her husband Denny Dochnahl through the Renton Technical College Foundation, Trustee Zappone moved to posthumously name the new allied healthcare building the Bernadene Dochnahl Health Sciences Complex. Trustee Takamura seconded, and the motion carried.

Chair Norouzi thanked Denny for keeping Bernie's legacy alive and continue to spread the impact of the work they've done. We've had a lot of bad news, and it is a joy and an honor to see people doing such inspiring and good work to lift up the community. Trustee Takamura stated that the students who joined the group are the embodiment of what the Dochnahls have done for RTC, and the

Dochnahls also embody the Strategic Equity Plan. Thank you, from the bottom of our hearts. Trustee Zappone offered condolences and gratitude. He stated that he is so impressed by the Dochnahls and their trust in the leadership of the college.

Denny stated that he has been investing in real estate since he was a kid. The Dochnahls made their money in this community and are putting their money back into the community. The gift is unrestricted because they trust the leadership. The Dochnahls have been involved with the college for over 30 years and investing in the community for over 60 years. President Harden thanked Denny and ED Shaw for their good work. She remembered meeting Denny at President McCarthy's retirement party, where he embraced her leadership. We will make good returns on the investment. Chair

B. Student Fees

President Harden stated that fee review occurs every other year. VP Jackson commented that the course fees help offset the costs of consumable materials, specialized software. Fees were compared to other colleges, and proposed increases are still below what other colleges are proposing for similar programs.

Norouzi thanked the Dochnahls for being an inspiration.

After considering the recommendation of the fee revenue committee and all other recommendations, Trustee Takamura moved to approve the updated program fee schedule as presented. Trustee Norouzi seconded, and the motion carried.

President Harden thanked the Fee Committee to their work. Chair Norouzi thanked the Fee Committee for their due diligence.

5. Discussion/Reports

A. <u>President's Report</u>

President Harden greeted the group and gave an update on activities since the last Board meeting.

Diversity, Equity, and Inclusion

The first Equity Symposium was March 26, 2025. Thank you to ED Martinez and the planning committee. Trustee Takamura was in attendance and commented that she has known Erin Jones for years. She found the experience valuable and appreciated that she built on work from previous years. President Harden attended the Black Male Research Institute Symposium at Morehouse on Black Fatherhood. The SEP Implementation Taskforce work continues and the strategic indicators are going to be a topic at the April 30 All-College meeting. Be Culture will be facilitating upcoming listening sessions.

Workforce development/partnerships

The Renton Chamber of Commerce Retreat was last month, as was the Executive Cabinet Retreat which was facilitated by Be Culture. In the Executive Cabinet Retreat, the group focused on moving from survival to thrival. President Harden, Vice President Jessica Gilmore-English, and Representative Steve Bergquist presented to the Renton City Council. The House Bill expanding the Washington State Opportunity Scholarship (WSOS) criteria for Renton Promise is in the legislature. This expands the funding with matching WSOS dollars.

Enrollment

Spring enrollment is up 11% year-over-year and 20% for tuition-paying. For the year, enrollment is up 12% for the year and 20% for tuition-paying. It's great that enrollment has improved, but we are still in a very difficult state financial spot. The I-214 Enrollment Services project is mostly complete and is awaiting furniture. It will be exciting for Student Services staff to have permanent space. The Bookstore space is continuing to move forward.

Legislative

The House and Senate budgets came out and both reduced funding for community and technical colleges. Community and technical college leadership has an idea that there will need to be more reductions. The State Board is estimating another 3% of cuts on top of the claw back. President Harden and VP Jackson were in Olympia last week. VP Jackson stated that the difference between the house and the senate bill is that the senate bill addresses the claw back at the beginning of next calendar year, whereas the house sets a claw back for mid-year. The two bills approach allocations very differently. Cybersecurity and career launch enrollment allocations are expected to be down, as well as June enrollments. Uncertainty around Medicaid and Medicare will have impacts on the state budgets.

Next week is the All-advisory Committee Dinner. Thursday is the Foundation Scholar and Donor event. President Harden and Leo will be at the All-Washington Scholarship Event.

B. Financial/Budget Status

VP Jackson stated that we are 75% through the fiscal year with revenue collections at about 85%. Catering is a bit behind in revenue collections and is likely turning a corner. Construction is being done in Building I and Building C and the chiller is being replaced. Chair Norouzi noted that campus looks beautiful. Trustee Takamura thanked Director Matt Vielbig for his robust report.

6. <u>Board of Trustees</u>

A. Foundation Liaison Report

Trustee Frieda Takamura thanked ED Shaw for her work. Trustee Takamura noted that this year was the largest amount of contributions and over 90% of students were awarded. Healthcare, advanced manufacturing, technology, and business were all areas of high awards. The student demographics of the bridge grants were largely woman-identified and of color. Please attend the Scholar and Donor Reception on April 24. There is a joint proposal to Congress on behalf of the Kent Valley Air and Space.

B. Legislative Action Liaison Report

Trustee Bob Zappone expressed appreciation for President Harden and VP Jackon's visit to Olympia.

C. Community Advisory Committee Liaison Report

Chair Norouzi will be meeting with President Harden and ED Shaw on what an advisory committee will look like for the RTC President's Office. Mayor Armando Pavone and Be Culture have so far agreed to be on this committee. The design is not to replicate the advisory committees, but rather to form a committee of thought partners who will help set direction.

7. <u>Meetings</u>

A. <u>Special and Regular Board Meeting – May 21, 2025</u> The next regular Board meeting is scheduled for May 21, 2025, at 3:00 P.M.

8. <u>Adjournment</u>

There being no further business, Trustee Zappone motioned to adjourn the Board of Trustees meeting at 4:17 P.M. Trustee Takamura seconded, and the motion carried.

Administration and Finance Report Renton Technical College Board of Trustees May 21, 2025

Financial Report

For month ending March, we are about 83 percent through the year. Revenue collection is about 95 percent. This is mainly due to the timing of tuition collection and the drawdown of our state allocation. Revenues are up about \$6.4M this year compared to last year. This is due to state allocation, tuition and fees, and scholarships. Tuition and fees are up by \$2.5M from April 2024. It should be noted that tuition and fee collection is still well below our enrollment/tuition/fees prior to the pandemic 19-20 and enrollment is still well below our District Enrollment Allocation Base. Scholarship and Student Loan Received is up \$4.8M from last year. We have drawn down \$30.4M this year compared to \$23.6M in state allocation last year. Interest income is \$536k this year compared to only \$159k last year at this time. Another bright spot is that our revenue from the bookstore is 120K this year compared to only \$15K last year at this time.

Expenses are about 84 percent. Expenses are about \$58.9M through April compared to this time last year of \$45.5M last year. Salary and benefits are about \$5.7M higher than last year at this time. Goods and Other Services is also about \$3.2M higher for month ending April compared to last year. Financial Aid is also about 4.3M higher this year compared to last year at this time.

Our ending cash and investment balances are about \$22.5M.

College Technology Services Renton Technical College Board of Trustees May 21, 2025

Spring Quarter

CTS saw another quarter of declining service desk tickets to start a new term. With active new student orientation (NSO) as well as multi factor authentication (MFA), students have a great start and self-service options to access RTC resources. CTS is delighted that students are navigating their studies at RTC with fewer technology challenges.

Technology News & Updates

CTS welcomes David Sooter as our new Technology Support Services Manager (TSSM). David's role includes managing the help desk and serves as the college's IT Accessibility Coordinator.

CTS also welcomes Max Reiter to the team as our newest Technical Support Analyst (TSA).

A recent phishing campaign completed and RTC's prone rate beats industry averages. For those who may have had challenges with the phishing exercise, supplemental training has been assigned to help strengthen our knowledge base and help provide tools to spot suspected malicious emails, attachments and hyperlinks.

I would like to recognize Michelle O'Connor (Interim Director of IT) for facilitating a cyber security tabletop exercise for the RTC All Leadership team. There was meaningful engagement and lots of great feedback!

Communications and Marketing Report Renton Technical College Board of Trustees May 21, 2025

ENROLLMENT MARKETING

Multi-platform marketing campaigns continue to outperform industry standards. Campaigns plus targeted CRM communications have resulted in a 25 percent yield from inquiries attributed to marketing to enrolled students.

The strong push for fall enrollment begins in mid-May, when new student enrollment begins, and will continue throughout the summer.

COMMUNICATIONS and PROJECTS

C&M staff collaborated with the Office of the President and Human Resources to send postcards and emails to retirees, inviting them to a reception honoring their service; promotion and support of the Renton Career Fair, the High School Partners Breakfast, and the Spring Open House.

The creative team designed new wall decals with updated branding and student photos, which will be installed at RTC Downtown in June/

SOCIAL MEDIA

A new social media policy is in the final approval stages. It adds procedures for moderating comments in compliance with public records laws.

Highlights from recent weeks:

Content resonates.

• A 3× jump in engagement rate means the smaller audience (due to platform algorithm changes) that sees posts is far more likely to react, comment, share, or click.

LinkedIn remains the star with the highest engagement rates

• Career-Launch Scholarship and Rivian-program posts topped the engagement chart (279 interactions on LinkedIn alone).

Instagram quietly contributes.

• 2.7 % engagement rate — highest of the "visual" channels. Reels and carousel reminders (open house, scholarships) scored the strongest saves and shares.

Facebook video still pulls views.

• 7,884 plays in April—91 % of all video views—kept awareness high even as organic reach dropped.

Diversity, Equity and Inclusion Renton Technical College Board of Trustees May 21, 2025

Diversity, Equity & Inclusion Council (DEIC)

Below are DEIC highlights for May 2025:

Committee & Action Team Updates:

Accessibility Advisory Committee (AAC)

The Accessibility Advisory Committee joined the DEIC in the 2024-2025 academic year. Previously a committee in the Technology Council, the Accessibility Advisory Committee evaluates the accessibility of RTC and develops plans, training, and resources to address needed accessibility improvements. Accessibility concerns are identified by committee members and the campus community. AAC reports on its work to the Diversity, Equity, and Inclusion Council and advises cabinet-level leadership and other campus stakeholders on access compliance.

Below are current committee project updates:

- Accessibility Advisory Committee
 - Cross campus collaboration: representation from instruction, library, human resources, student services, CTS, communications, security, facilities
 - Creation of AAC Bios to help members get to know each other and help the committee identify areas of interest and expertise
 - Creation of ADA Reporting form goal to publish/promote in Fall 2025 allowing campus to anonymously report access barriers at RTC
 - Co-Created work groups focused on achievable outcomes around accessibility projects (Wayfinding & Resource Library)
- <u>Accessibility Resource Library</u> Project Team
 - **Goal:** Create a Sharepoint library that campus colleagues can use to learn about and improve their accessibility practices.
 - Library will initially have information about accessibility practices in the following categories: Web Accessibility, RTC Library Resources, Instructional Resources, How to Create Accessible Events
 - Library will be published by the end of the academic year with plans for work to continue and resources added on an ongoing basis.
 - Next year, campus will be invited to contribute accessibility resources and best practices to the library.
- Campus Wayfinding Project Team

- **Goal:** Identify navigation barriers that our campus community may encounter.
- Assessed exterior and interior signage around to identify out-of-date, confusing, or incomplete information. Findings for each building were documented in spreadsheet and via pictures.
 - This assessment guided the team's work and can be a resources for other units across campus.
- Findings of the assessment are being used to develop standardized signage templates in collaboration with Communications & Marketing.
- The team is also working with facilities to remove out-of-date directional signs around campus and replace them with correct, temporary signage until permanent signs can be installed.
- Next year, campus feedback on signage and navigation barriers will be gathered through a survey and scavenger hunt.

In alignment with requirements from <u>RCW 28B.10.147</u>, all Washington State Community & Technical Colleges are required to conduct campus climate assessments and listening sessions for students, faculty and staff.

The Listening Sessions ground RTC's DEI priorities and initiatives in current and transparent data, shed light on the existing state of the college, and reveal equity gaps. Facilitated by Be Culture, each Listening Session were hosted virtually on Zoom from 3:00 – 4:30 p.m. on the following days:

- Monday, April 28th—Students
- Thursday, May 1st—Faculty
- Monday, May 5th—Staff

Scholarships and Events

Fall 2025 Scholarship Cycle

The Fall scholarship application opened May 5th and students can submit applications through June 2nd. Margo Ikegami, Scholarship & Development Manager, is working with the RTC Navigators to schedule workshops for students who have limited computer access and marketing the Fall cycle through email, social media, and campus flyers.

Career Launch Scholarship

The scholarship application was extended to the end of April and all 25 scholarships were awarded on a first come, first served basis. There were 41 applicants in total and students who were not awarded can still access the Renton Promise grant. All applicants must be high school seniors from the Renton School District, have taken Career Training Education courses (CTE), and plan to continue their professional technical education at RTC. The top high school was Hazen (56%) followed by Renton (32%). Top areas of study were healthcare (28%) followed by Business (20%) and Automotive (16%). Students who listed "don't know" was the second highest area selected.

Massage Therapy grant

For the fourth year in a row, a donor has provided funds for massage students who are about to graduate. The license test is \$500 and can be a barrier for students to launch their careers. The Foundation matches the donation, and six grants are available on a first come, first served bases.

April 24th Annual Scholar & Donor Reception

Exceeded goal with 115 funders, staff, and students attending – the largest number for this event. Speakers included RTC president Yoshiko Harden, Foundation president Lori Inman, representatives from SPEEA, Providence Swedish, and retiring RTC Faculty member and former Foundation Board member Michele Lesmeister. Andy Rottler, president of Rottler Manufacturing, accepted the 2025 Partnership Generosity Spotlight Award. A compilation video of student success stories and testimony in Spanish from Construction Management student, Rosa Ocequeda, was a highlight of the evening. Students enjoyed meeting funders and building their network for future job opportunities.

May 16th Exceptional Employee Awards

Development & Community Engagement:

- The PACCAR Foundation awarded the RTC Foundation \$250,000 to support the expansion of the mechatronics lab and training equipment. A formal PR announcement is pending. The original proposal included funds for a remodel of the L Building which was not included in the grant award.
- The Society of Professional Engineering Employees in Aerospace (SPEEA) has renewed their annual scholarship commitment with a \$15,000 grant for the 2025-2026 academic year. This is the fifth year in a row SPEEA has partnered with the Foundation.
- **Boeing representatives** joined staff for a campus tour and update on Boeing's workforce development goals. Boeing plans to remain a partner through scholarships and event sponsorships and is looking to expand the pipeline to work for certain RTC program graduates.
- Alumni Relations currently 161 alumni registered through the LinkedIn page. Two RTC faculty members have been selected to feature in the inaugural alumni newsletter. Meetings planned around an engagement letter for graduates and the Alumni Page is being linked via the Graduate Exit Survey, the Graduation and the RTC Commencement webpages.

Finance Committee Q1 Review

The committee met with the Badgley Phelps team to review and discuss year-end and Q1 Report graphics and data. The data did not reflect Market responses to the tariffs, but volatility has occurred and was addressed. Student Conduct Code and Title IX revisions

The proposed changes to our Student Conduct Code and Hearings Procedures are completed. This is in response to a January District Court decision which vacated the 2024 Title IX final rule which amended the Title IX Education Amendments of 1972. We had only just completed the 2024 revisions in November. Those revisions included updating the full conduct code to match the model code created by the Attorney General's Office in collaboration with the Student Services Commission.

Once again, RTC needs to make changes to its code to match the requirements set by Title IX as it was amended in 2020. However, we will be preserving non-Title IX related updates as well as modifying some of our own procedures to ensure both respondents and complainants can benefit from an equal, fair, and compassionate process. We made these revisions working closely with our Assistant Attorney General, Michael Hemker, and the Attorney General's Office and thank them for their support.

Highlight of significant changes:

- Title IX jurisdiction: In the 2024 rule, Title IX jurisdiction covered any sex discrimination regardless of location so long as it occurred during activity related to the college, even outside of the US. This will be narrowed to only locations where RTC exercises substantial control such as on campus. Incidents that occur outside this jurisdiction can still be adjudicated through the conduct code, but under the same procedures as any other kind of conduct violation. We have added clarification in the code when that would apply.
- Narrowing of the definition of sex discrimination to exclude sexual orientation, gender identity, and pregnancy from the definitions: Discrimination based on these characteristics would still constitute a violation of the student conduct code as "discriminatory harassment" as Washington State Law protects against those forms of discrimination. However, those cases would be adjudicated according to the standard procedure rather than the Title IX procedure.
- Procedural changes in Title IX cases: A finding of fault and the imposition of sanctions will now be determined solely during a live hearing by the student conduct committee.
 - For the hearing itself, cross-examination will be changed so that parties' advisors will ask the other party questions rather than the committee chair. We will be keeping language that mandates the chair receive training prior to the hearing on applying relevancy to questions and evidence that was not in our conduct code prior to 2024.

• Change to the appeal process from the pre-2024 code concerning a scenario where a complainant's complaint is dismissed by the student conduct officer: We have added clarity to this language including allowing the complainant to choose to be represented by an advisor in a brief adjudicative hearing when outside of Title IX jurisdiction.

Rule-Making process:

Changes will be adopted using two concurrent processes, emergency and permanent rulechanging. With Board approval at the regular May Board meeting, we will file the emergency rule to take effect immediately to comply with federal law as it stands after the 2024 rule was vacated. Emergency rules last for 120 days before expiring, so we will ask the Board to renew the Emergency rule when the Board reconvenes in September. That will allow enough time for the full permanent rulemaking process to complete.

We formally began the permanent process in April by filing our preproposal statement of inquiry in the Washington State Register, and in the beginning of May, we filed our proposed rulemaking notice which includes the code changes in full and the details of the public hearing. We chose our hearing date for early Fall to maximize the potential for student participation and feedback. It will be held on Monday, October 6th at 2pm in C-110 and on Zoom. A summary of the proposed changes will be presented to our Associated Student Government this month and again closer to the hearing date. The changes to the code and a notice for the public hearing can be found on our website's Rule-Making page, and closer to the date, an all-campus email will be sent and flyers posted around campus advertising the hearing.

A hearing summary will be compiled and made available to the campus community by email and on the website, as well as provided to the Board of Trustees. We expect to ask the Board to approve the permanent rule change during the October regular meeting the week after the hearing. Renton Technical College Board of Trustees Meeting **May 21, 2025**

BACKGROUND:

RECOMMENDATION:

Memorandum Office of Student Services

To:	Renton Technical College Board of Trustees
From:	Jessica Gilmore English, Vice President of Student Services Lesley Hogan, Vice President of Human Resources, Title IX & ADA Coordinator
Date:	May 21, 2025
RE:	2025 Title IX Changes to Student Conduct Code Emergency Rule Adoption

The District Court decision of *Tennessee, et al v. Cardona,* issued on January 9, 2025, vacated the Final Rule released by the United States Department of Education Office for Civil Rights under the Title IX Education Amendments of 1972 on April 19, 2024. This emergency rule will revise the Student Conduct Code and Hearing Procedures to comply with the Title IX Education Amendments of 1972 as before the now-vacated 2024 Final Rule while preserving changes made to update the code to the model code provided by the Washington State Office of the Attorney General.

Highlight of significant changes

- Narrows definition of sex discrimination back to the definitions in the 2020 Title IX changes, removing sexual orientation, gender identity, and pregnancy from the definitions.
 - Washington State Law protects against discrimination based on sexual orientation, gender identity, and pregnancy. While not part of the Title IX procedures, discrimination against students based on sexual orientation, gender identity, and pregnancy are prohibited in the Student Code of Conduct as "Discriminatory Harassment."
- Reduces jurisdiction to behavior that occurred during an educational program or activity where the college exercises substantial control.
 - Sex discrimination cases that fall outside of Title IX discrimination must follow the same procedure as other conduct violations.
- Requires live hearings to determine whether allegations of Title IX violations have merit and impose sanctions. Previously, the student conduct officer would issue a finding of fault and sanctions which both parties could appeal to be heard in a live hearing.
- Cross examination in Title IX hearings must be conducted by parties' advisors. Previously, the conduct committee Chair would ask parties questions or allow advisors to question directly.

Next Steps

The Emergency Rule will take effect May 21st. 2025, and will be renewed on September 17th, 2025 with Board approval. Renton Technical College has already begun the permanent rule change process with a public hearing scheduled for October 6th, 2025, from 2:00pm-3:00pm in C-110 and on Zoom.

Therefore, Student Services provides the suggested motion below:

I move that the Renton Technical College Board of Trustees approve the changes, as presented in the Board materials, to the Student Conduct Code and Hearing Procedures in Chapter 495E-110 WAC, and that these rules shall become effective on May 21, 2025, because these rule changes are necessary to comply with federal Title IX law and related federal regulations.

AMENDATORY SECTION (Amending WSR 24-24-035, filed 11/25/24, effective 11/30/24)

WAC 495E-110-120 Student conduct committee—Prehearing. (1) Proceedings of the student conduct committee shall be governed by the Administrative Procedure Act, chapter 34.05 RCW.

(2) The student conduct committee chair shall serve all parties with written notice of the hearing not less than seven calendar days in advance of the hearing date. The chair may shorten this notice period if both parties agree, and also may continue the hearing to a later time for good cause shown. The notice must include:

- (a) A copy of the student conduct code;
- (b) The basis for jurisdiction;
- (c) The alleged violation(s);
- (d) A summary of facts underlying the allegations;
- (e) The range of possible sanctions that may be imposed; and
- (f) A statement that retaliation is prohibited.

(3) The committee chair is authorized to conduct prehearing conferences and/or to make prehearing decisions concerning the extent and form of any discovery, issuance of protective decisions, and similar procedural matters.

(4) Upon request filed at least five calendar days before the hearing by any party or at the direction of the committee chair, the parties shall exchange, no later than the third day prior to the hearing, lists of potential witnesses and copies of potential exhibits that they reasonably expect to present to the committee. Failure to participate in good faith in such a requested exchange may be cause for exclusion from the hearing of any witness or exhibit not disclosed, absent a showing of good cause for such failure.

(5) The committee chair may provide to the committee members in advance of the hearing copies of (a) the conduct officer's notification of imposition of discipline (or referral to the committee), and (b) the notice of appeal (or any response to referral) by the respondent. If doing so, however, the chair should remind the members that these "pleadings" are not evidence of any facts they may allege.

(6) The parties may agree before the hearing to designate specific exhibits as admissible without objection and, if they do so, whether the committee chair may provide copies of these admissible exhibits to the committee members before the hearing.

(7) The student conduct officer shall provide reasonable assistance to the respondent and complainant in procuring the presence 5/05/2025 12:38 PM [56] NOT FOR FILING RDS-6366.1 of college students, employees, staff, and volunteers to appear at a hearing, provided the respondent and complainant provide a witness list to the student conduct officer no less than three business days in advance of the hearing. The student conduct officer shall notify the respondent and complainant no later than 24 hours in advance of the hearing if they have been unable to contact any prospective witnesses to procure their appearance at the hearing. The committee chair will determine how to handle the absence of a witness and shall describe on the record their rationale for any decision.

(8) Communications between committee members and other hearing participants regarding any issue in the proceeding, other than procedural communications that are necessary to maintain an orderly process, are generally prohibited without notice and opportunity for all parties to participate, and any improper "ex parte" communication shall be placed on the record, as further provided in RCW 34.05.455.

(9) In cases heard by the committee, each party may be accompanied at the hearing by an assistant of their choice, which may be an attorney retained at the party's expense.

complainant is represented by an attorney, the student conduct officer may be represented by an assistant attorney general.

(11) Attorneys for students must file a notice of appearance with the committee chair at least four business days before the hearing. Failure to do so may, at the discretion of the committee chair, result in a waiver of the attorney's ability to represent the student at the hearing, although an attorney may still serve as an advisor to the student.

(((12) In cases involving allegations of sex discrimination, the complainant has a right to participate equally in any part of the disciplinary process, including appeals. Respondent and complainant both have the following rights:

(a) **Notice.** The college must provide a notice that includes all information required in subsection (2) of this section, and a statement that the parties are entitled to an equal opportunity to access relevant and permissible evidence, or a description of the evidence upon request.

(b) Advisors. The complainant and respondent are both entitled to have an advisor present, who may be an attorney retained at the party's expense.

(c) **Extensions of time**. The chair may, upon written request of any party and a showing of good cause, extend the time for disclosure of witness and exhibit lists, accessing and reviewing evidence, or the hearing date, in accordance with the procedures set forth in subsection (13) (b) of this section.

(d) **Evidence.** In advance of the hearing, the student conduct officer shall provide reasonable assistance to the respondent and complainant in accessing and reviewing the investigative report and relevant and not otherwise impermissible evidence that is within the college's control.

(e) **Confidentiality**. The college shall take reasonable steps to prevent the unauthorized disclosure of information obtained by a party solely through the disciplinary process, which may include, but are not limited to, directives by the student conduct officer or chair pertaining to the dissemination, disclosure, or access to evidence outside the context of the disciplinary hearing.

(13) In cases involving allegations of sex-based harassment, the following additional procedures apply:

(a) **Notice.** In addition to all information required in subsection (2) of this section, the notice must also inform the parties that: (i) The respondent is presumed not responsible for the alleged sex-based harassment;

(ii) The parties will have an opportunity to present relevant and not otherwise impermissible evidence to a trained, impartial decision maker;

(iii) They may have an advisor of their choice, who may be an attorney, to assist them during the hearing;

(iv) They are entitled to an equal opportunity to access relevant and not otherwise impermissible evidence in advance of the hearing; and

(v) The student conduct code prohibits knowingly making false statements or knowingly submitting false information during a student conduct proceeding.

(b) Extensions of time. The chair may, upon written request of any party and a showing of good cause, extend the time for disclosure of witness and exhibit lists, accessing and reviewing evidence, or the hearing date. The party requesting an extension must do so no later than 48 hours before any date specified in the notice of hearing or by the chair in any prehearing conference. The written request must be served simultaneously by email to all parties and the chair. Any party may respond and object to the request for an extension of time no

later than 24 hours after service of the request for an extension. The chair will serve a written decision upon all parties, to include the reasons for granting or denying any request. The chair's decision shall be final. In exceptional circumstances, for good cause shown, the chair may, in their sole discretion, grant extensions of time that are made less than 48 hours before any deadline.

(c) **Advisors.** The college shall provide an advisor to the respondent and any complainant, if the respondent or complainant have not otherwise identified an advisor to assist during the hearing.

(f) **Separate locations**. The chair may, or upon the request of any party, must conduct the hearing with the parties physically present in separate locations, with technology enabling the committee and parties to simultaneously see and hear the party or the witness while that person is speaking.

WAC 495E-110-130 Student conduct committee hearings— Presentations of evidence. (1) Upon the failure of any party to

attend or participate in a hearing, the student conduct committee may either:

(a) Proceed with the hearing and issuance of its decision; or

(b) Serve a decision of default in accordance with RCW 34.05.440.

(2) The hearing will ordinarily be closed to the public. However, if all parties agree on the record that some or all of the proceedings be open, the chair shall determine any extent to which the hearing will be open. If any person disrupts the proceedings, the chair may exclude that person from the hearing room.

(3) The chair shall cause the hearing to be recorded by a method that he/she ((select)) <u>selects</u>, in accordance with RCW 34.05.449. That recording, or a copy, shall be made available to any party upon request. The chair shall assure maintenance of the record of the proceeding that is required by RCW 34.05.476, which shall also be available upon request for inspection and copying by any party. Other recording shall also be permitted, in accordance with WAC 10-08-190.

(4) The chair shall preside at the hearing and decide procedural questions that arise during the hearing, except as overridden by majority vote of the committee.

(5) The student conduct officer (unless represented by an assistant attorney general) shall present the case for imposing disciplinary sanctions.

(6) All testimony shall be given under oath or affirmation. Evidence shall be admitted or excluded in accordance with RCW 34.05.452.

(7) In cases involving allegations of ((sex-based harassment))<u>non-Title IX sexual misconduct</u>, the complainant and respondent may not directly question one another or other witnesses. In such circumstances, the chair will determine whether questions will be submitted to the chair, who will then ask questions of the parties and witnesses((τ)) or allow questions to be asked directly of any party or witnesses by a party's attorney ((or advisor)). The committee chair may revise this process if, in the chair's determination, the questioning by any party, attorney, or advisor, becomes contentious or harassing.

(a) Prior to any question being posed to a party or witness, the chair must determine whether the question is relevant and not otherwise impermissible; and must explain any decision to exclude a question that is deemed not relevant((τ)) or is otherwise

impermissible. The chair will retain for the record copies of any written questions provided by any party.

(b) The chair must not permit questions that are unclear or harassing; but shall give the party an opportunity to clarify or revise such a question.

(c) The chair shall exclude and the committee shall not consider legally privileged information unless the individual holding the privilege has waived the privilege. Privileged information includes, but is not limited to, information protected by the following:

(i) Spousal/domestic partner privilege;

(ii) Attorney-client communications and attorney work productprivilege;

(iii) Clergy privileges;

(iv) Medical or mental health providers and counselor privileges;(v) Sexual assault and domestic violence advocate privileges; and

(vi) Other legal privileges set forth in RCW 5.60.060 or federal law.

(d) The chair shall exclude and the committee shall not consider questions or evidence that relate to the complainant's sexual interests or prior sexual conduct, unless such question or evidence is offered to prove someone other than the respondent committed the

alleged conduct, or is evidence of specific instances of prior sexual conduct with the respondent that is offered to prove consent to the alleged ((sex-based harassment)) sexual misconduct. The fact of prior consensual sexual conduct between the complainant and respondent does not by itself demonstrate or imply the complainant's consent to the alleged ((sex-based harassment)) sexual misconduct or preclude determination that ((sex-based harassment)) sexual misconduct occurred.

(e) The committee may choose to place less or no weight upon statements by a party or witness who refuses to respond to questions deemed relevant and not impermissible. The committee must not draw an inference about whether ((sex-based harassment)) sexual misconduct occurred based solely on a party's or witness's refusal to respond to such questions.

(8) Except in cases involving allegations of ((sex-based harassment)) sexual misconduct, the chair has the discretion to determine whether a respondent may directly question any witnesses; and if not, to determine whether questions must be submitted to the chair to be asked of witnesses, or to allow questions to be asked by an attorney or advisor for the respondent.
