Summary of Current Institutional Effectiveness by Strategic Indicators and Unit Level Priority Activity Results:

Jichul Kim provided a summary of the Strategic Indicators /Key Performance Indicators outcome based on what was scored by the College Council members a couple of months ago.

Stagnant means the institution did not meet or improved target goal.

Jichul presented the Current Institutional Effectiveness by SG Unit Activities (this was not emailed prior to the meeting) it is based from the last two years which was submitted by the department deans on what and how the department will achieve their goals.

Suggestions on 2020-2021 Annual Strategic Priority Activities:

Currently the Institutional Research department provides a GAP analysis that has been collected from the unit plans and provide the alignment at the end of the year to show the outcome. Now it's time to determine what to focus on for the year. Should the goal align with Guided Pathways? Is there a plan to merge the two into one big picture?

Action: Jichul to provide analysis of what indicators was used in previous years and email the data to the members.
