During order placement you will be asked for personal identifying information needed for security or compliance purposes. Supplying accurate and comprehensive information is important to the speed in which your order is completed.

The email address you use when placing your order will become your username for your CertifiedProfile and will be the primary form of communication for alerts and messages. Payment methods include: MasterCard, Visa, debit card, electronic check, money order, and installment payment.

TO-DO LISTS

You can respond to any active alerts or To-Do List items now, or return later by logging into your CertifiedProfile.
