2

6 time may be taken in lieu of authorized overtime payment, in accordance with the
7 provisions of applicable state and federal law. Compensatory time must be granted at
8 the rate of one and one-half (1-1/2) hours of compensatory time for each hour over
9 forty (40) hours worked by full-time overtime-eligible employees and straight time

11 time overtime-eligible employees (up to 40 hours).

12
13 1. Compensatory Time Use

14
15 An employee must use compensatory time prior to using vacation leave, unless
16 this would result in the loss of his or her vacation leave or the employee is
17 using vacation leave for domestic violence leave. Compensatory time
18 must be used and scheduled in the same manner as vacation leave, as in Article
19 9, Vacation. Employees may use compensatory time for leave as required by

37 Payroll and Human Resources must be notified no later than June 10th.

38
39 **2.5 Discipline and Dismissal**

40
41 A. General Principles of Discipline

42
43 The College will not discipline any permanent employee without just cause. The College
44 shall give consideration to due process and progressive discipline in its discipline of
45 employees. Although each situation merits individual investigation of the facts and
46 circumstances, the College will make reasonable effort to maintain consistency in
47
48

1 ARTICLE 2 (continued)

2
3 discipline of employees. Employees will be given adequate forewarning, verbally or in
4 writing, about behaviors that may lead to disciplinary action, except for instances of
5 misconduct that are so severe that the employee is reasonably expected to know that it
6 would be grounds for discipline.
7

8 B. Investigation

9
10 The College has the authority to conduct investigations and will make effort to maintain
11 employee privacy in all investigations, to the extent that the investigative process allows
12 and as appropriate to applicable statute. Within ten working days receipt of an
13 allegation of potential misconduct that could lead to disciplinary action, up to and
14 including termination, the College will notify the employee and the Association of the
15 allegation and need for investigation. Upon request, an employee who believes that
16 discipline may occur in the course of an investigation may request representation by a
17 member of the Association. If the requested representative is not reasonably available,
18 the employee will select another representative who is available. The role of the
19 accompanying Association representative is to provide assistance and counsel to the
20 employee and not interfere with the College's right to conduct the investigation.
21

22 Both parties agree that timely resolution of investigations of alleged employee
23 misconduct is critical to maintaining a positive and productive work environment. The
24 College will notify and advise the employee with updates of the status of the
25 investigation every thirty (30) calendar days until the investigation is complete. Upon
26 notice that the employee has requested representation, the College will provide
27 simultaneous notification to the Association representative. An employee may be
28 placed on an alternative assignment during an investigation. Unless a conflict of interest
29 exists relevant to the investigation, the employee will not be prohibited from contacting
30 their Association representative. If a conflict exists, the employee may select an
31 alternate Association representative.
32

33 C. Cause for Discipline

34
35 The College shall have the right to discipline an employee, up to and including dismissal,
36 with just cause, provided that knowledge of the misconduct is obtained within ninety
37 (90) calendar days of the alleged misconduct.
38

- 39 1. An employee shall be subject to termination as the appropriate culmination of a
40 course of progressive discipline. The principles of progressive discipline shall be
41 used except when the nature of the problem requires more serious or
42 immediate action, as described in 2.5.D below. Progressive discipline includes
43 the following steps: verbal warning (which is clearly identified as a warning
44 when given), written warning (clearly defined as such when issued), suspensions
45 (without pay, subject to severity of actions), reduction in pay and dismissal. All
46 disciplinary actions subsequent to the verbal warning shall, at the option of the
47 employee, be given with an Association witness present.
48

1 ARTICLE 2 (continued)

2
3 2. In addition, an employee who has received any three (3) disciplinary actions
4 within a one (1)-year period may have his/her employment terminated upon
5 the occurrence of any fourth cause for discipline.

6
7 3. Upon written request by the employee, a warning notice shall be removed from
8 the official personnel file one (1)-year from the date of notice if there have been
9 no further notices for a six (6) month period.

10
11 D. Cause for Immediate Termination

12
13 The College may terminate an employee, without previous discipline, for “cause”.
14 “Cause” shall include, but not be limited to, gross misconduct; willful, frequent, and
15 intransigent violation of College rules, policies, procedures or directives; incompetence
16 in the performance of professional duties; insubordination; neglect of duty; sexual
17 harassment; or acts of moral turpitude.

18
19 E. Process for Discipline

20
21 The College shall give an employee a written statement of the reason(s) for any
22 suspension without pay, reduction in pay or termination. Prior to a decision of
23 suspension without pay or termination, the College shall inform concurrently the
24 employee and the Association, in writing, of the charges against the employee, any
25 evidence and documentation to support the charge and the action contemplated. The
26 College will provide an opportunity to the employee to respond in writing or in person
27 to the evidence and explain and defend his/her conduct. The College shall handle
28 discipline of an employee as confidentially and discretely as the situation warrants and
29 is possible under the circumstances.

30
31 1. The College will provide fifteen (15) calendar days’ written notice prior to the
32 effective date of any suspension or reduction in pay.

33
34 2. The College will provide seven (7) calendar days’ written notice prior to the
35 effective date of termination. The College may terminate an employee
36 immediately without seven (7) calendar days’ notice if, in the College’s
37 determination, the continued employment of the employee during the notice
38 period would jeopardize the good of the College. The College will provide the
39 reasons for an immediate termination in the written notice.

40
41 F. The College has the authority to impose discipline, which is subject to the grievance
42 procedure as set forth in Article 12. Verbal warnings, however, may be processed only
43 through Article 12.3.B.2.

1 ARTICLE 2 (continued)

2
3 **2.6 Layoff**

4
5 A. Reduction in Force

6
7 This section establishes the process by which a reduction-in-force (RIF) and any
8 resultant layoff of “hard money” employees may occur. Any such reduction-in-force
9 may be due to actions such as a lack of funds, a College reorganization, or a curtailment
10 of work.

11
12 B. RIF Determination

13
14 The College will determine that a RIF is necessary and establish that one or more
15 positions within the Association that need to be eliminated. The College will determine
16 which positions will be retained and which positions will be eliminated.

17
18 C. Association Notice of RIF

19
20 The College will notify the Association of any position to be eliminated, unless the
21 position is vacant. Except in emergency situations (i.e., cessation of funding), at least
22 thirty (30) calendar days prior to the first effective date of layoff, the College shall notify
23 the Association of positions to be eliminated and further, shall furnish the Association
24 updated seniority lists for each of the effected classifications.

25
26 D. Employee Notification of Layoff

27
28 The Association and the employee to be laid off shall be notified in writing a minimum
29 of thirty (30) calendar days prior to the effective date of the layoff unless an emergency
30 situation occurs as described under 2.6.C above. A layoff notice should include: the
31 effective date of the layoff, the reason for layoff, a list of other employees in the same
32 classification by seniority date, notice of placement on the re-employment list, the
33 beginning and ending date of any placement on the re-employment list, and the
34 requirement to notify the College of any change of address.

35
36 E. Classification

37
38 Classification means those specific job titles, such as, “Buyer/Salesperson,” “Campus
39 Security Officer,” and “Payroll Officer” listed on the salary schedule. (Appendix A.)

40
41 F. Bumping Rights

42
43 In the event the incumbent in an eliminated position holds more seniority than another
44 employee in a position in the same classification which is not eliminated, the more
45 senior employee shall notify the human resources department of their intent to exercise
46 the right to bump the less senior employee. Such notice shall include sufficient
47 identification of the specific position the employee is bumping into so as to allow for the
48 transfer from one position to another.

1 ARTICLE 2 (continued)

2
3 1. *Bumping Order*

4
5 Provided the employee has more seniority, one employee shall be allowed to
6 bump another employee with less seniority in the same classification.

7
8 2. *Bar on Movement*

9
10 No employee shall be able to bump into a higher classification.

11
12 3. *Non-Exercise of Bumping Rights*

13
14 Employees who chose not to exercise available bumping rights shall be paid
15 their accumulated vacation leave balance at their current rate of pay.

16
17 G. Re-employment Pool

18
19 Those employees not initially retained shall be placed in a re-employment pool and shall
20 be called back in order of seniority.

21
22 1. Employees placed in the re-employment pool shall be listed by order of
23 seniority in the classification, excluding any temporary or other time spent in
24 a substitute position.

25
26 2. In cases where seniority is equal, employees will be chosen by lot.

27
28 3. The most senior employee will be offered the first open position which is
29 substantially equal to the position held at the time of layoff.

30
31 4. If the most senior employee in the pool does not take the position, the next
32 most senior employee in the classification will be offered the position.

33
34 5. An employee may turn down two (2) position offerings for which they qualify
35 before being removed from the re-employment pool, PROVIDED that the
36 employee is offered a position substantially equal to that held prior to being
37 laid off.

38
39 6. *Removal from the Re-employment Pool*

40
41 An employee will remain in the re-employment pool for a period of two (2)
42 years from date of layoff, UNLESS the employee has declined two offered
43 positions as stated above.

44
45 7. A laid-off employee shall, upon application and at the employee's option, be
46 placed on the substitute list.

1 ARTICLE 2 (continued)

2
3 8. *Salary Placement and Benefits Upon Recall From Layoff*

4
5 All benefits to which an employee was entitled at the time of the layoff,
6 including unused sick leave, will be restored to the employee upon return to
7 active employment, unless accumulated vacation leave balances were
8 cashed-out at the time of layoff. The employee will be placed on the
9 appropriate range of the salary schedule, on the step that is closest to, but not
10 less than, the hourly rate of pay at the time of layoff; PROVIDED that no
11 employee shall be placed above the top step of the appropriate range.
12 Seniority will be restored to the accumulation at the time of layoff.

13
14 9. *Requirements for Recall Notices*

15
16 Notices of recall shall be sent by certified or registered mail to the last known
17 address as shown on the College's records. It shall be the employee's
18 responsibility to keep the College notified as to his/her current mailing
19 address.

20
21 H. Employment Under a Special Contract

22
23 The scheduled hours and days per week of any employee hired under a "special
24 contract" may be modified by the College in the event that such modifications are
25 necessary to maintain contracted instructional programs, classes, or services without
26 being subject to the layoff section of this contract. The term "special contract" shall
27 mean those situations in which the funding and obligations to provide instruction or
28 services are the result of special funding provided by the state, a gift, a grant, or a
29 contract with a business, organization or agency outside the College. Employees hired
30 under a "special contract," who are subsequently laid off, are not eligible to bump "hard
31 money" funded employees.

32
33 I. Re-Training

34
35 The College will work with the employee in the re-employment pool to retrain them for
36 other occupational opportunities.

37
38 **2.7 Temporary Layoff**

39
40 The employer may temporarily reduce the hours of an employee up to twelve (12) days per
41 fiscal year or as directed by the state legislature, due to revenue short-fall or unanticipated loss
42 of funding. The employee shall receive a thirty (30) day notice of a temporary reduction of
43 hours. Temporary layoff is leave without pay. An employee may not use any leave for a
44 temporary layoff day(s).

45
46 **2.8 Voluntary Reduction in Hours**

47
48 An employee may request to reduce his/her working hours for a period not to exceed one (1)

1 ARTICLE 2 (continued)

2
3 year, to help reduce permanent layoffs. The employee and his/her supervisor will determine if a
4 reduction in hours is feasible, based on department staffing needs. The President or designee
5 will have final approval for the reduction in hours. At the end of the one (1)-year period, the
6 employee may choose to reinstate their original working hours or request to continue working
7 the reduced hours. The employee shall be paid their current salary and benefits based on their
8 new percentage of fulltime. The employee, supervisor and President or designee will sign a
9 form agreeing to the reduced hours and new work schedule. The form will be kept in the
10 employees personnel file. The College may terminate this agreement with two (2) weeks'
11 notice.

12
13 **2.9 Separation from Employment**

14
15 Employees are requested to give thirty (30) days' notice of intent to resign. The employee shall
16 give the College as much notice as possible, but in no event less than two (2) weeks before the
17 effective date of the resignation. If less than two (2) weeks' notice is given, the employee will
18 forfeit vacation pay.

19
20 **2.10 Vacancies**

- 21
22 A. The president of the Association will be notified of all openings of positions covered by
23 this Agreement and will be informed in advance of the selection process to be used in
24 such positions. Such notice will state that the position is funded by "special contract"
25 funds, if applicable.
26
27 B. The College will fill job openings covered by this Agreement by selecting the best
28 qualified applicant, PROVIDED such selection is made in compliance with the College's
29 Affirmative Action Program.
30
31 C. The College will give preferential consideration to senior employees in this unit for any
32 job openings covered by the Agreement when qualifications and ability are substantially
33 equal to those of other candidates.
34
35 D. In the event the person with the most seniority is not chosen, the office of the President
36 will give an explanation in writing, upon request, to such senior employee and the
37 Association, stating the reason for the non-selection. Nothing contained in this section
38 is intended to preclude the College from hiring outside applicants.
39

40 **2.11 Affirmative Action**

- 41
42 A. The Association and the Board of Trustees recognize the requirements of the Civil Rights
43 Act of 1964 and mutually agree to support the provisions of the College's Affirmative
44 Action Plan. The parties further agree that the purpose of the plan is for achieving
45 equality in employment practices wherever it may be lacking in compliance with the
46 letter and spirit of the law. The Affirmative Action Plan will be applied in modifying the
47 composition of the future work forces in the College.
48

1 ARTICLE 2 (continued)

2
3 B. Present employees will not be discharged to achieve employment goals. Hiring policies
4 will be adapted to ensure equal employee opportunities. Only qualified personnel will
5 be considered for any position.

6
7 C. The College and the Association are committed to providing equal access to
8 employment opportunities, and to maintaining a workplace that is free from
9 discrimination. This policy shall apply to all employees and applicants for employment
10 without regard to race or ethnicity; color; national origin; gender; marital status; sexual
11 orientation; age; religion; the presence of any sensory, mental or physical disability;
12 genetic information or status as a Vietnam-era or disabled veteran.

13
14 **2.12 Involuntary Transfer**

15
16 A. If an employee is involuntarily transferred to another classification of work, his/her job
17 classification and base rate of pay will be changed to conform to the new work to which
18 he/she is assigned.

19
20 B. If the employee is involuntarily transferred to a classification position of lower pay,
21 he/she shall be placed on the step closest to but not less than the rate of pay the
22 employee was receiving at the time of transfer. If the employee's salary exceeds the
23 salary of the new classification, he/she will be grandfathered at his/her current salary.

24
25 **2.13 Seniority**

26
27 A. For the purpose of promotion and layoff within the unit, an employee's seniority will be
28 determined by the following factors in the order listed:

- 29
30 1. Employees transferred from the Renton School District No. 403 on September 1,
31 1991 will continue their seniority from that organization.
32
33 2. The total College seniority will be applied to persons within their specified
34 classification.
35
36 3. The total amount of time in the bargaining unit will include time with the Renton
37 School District in this unit.

38
39 B. All seniority rights will be lost and an employee's relationship with the College deemed
40 severed under the following circumstances:

- 41
42 If the employee:
- 43 a. resigns;
 - 44 b. is discharged for just cause;
 - 45 c. does not return to work as required when recalled after
46 layoff;
 - 47 d. is absent due to work elsewhere.

48 C. Employees do not accumulate seniority when on unpaid leave of absence or layoff.

1 ARTICLE 2 (continued)

- 2
- 3 D. Employees returning from unpaid leave of absence or from a layoff may recover their
4 previous seniority.
- 5
- 6 E. For purposes other than those described in 2.11.A, seniority shall be length of
7 continuous employment in the College.
- 8
- 9

10

11 **ARTICLE 3**

12 **PROFESSIONAL DEVELOPMENT**

- 13
- 14
- 15 3.1 The College and the Association recognize the quality of the College's educational program and
16 services can be enhanced by employee training. In the mutual interest of the College and
17 employees of this bargaining unit, the College shall budget funds for the purposes of training as
18 noted herein. The amount budgeted for each year of this Agreement is \$4,000. These funds will
19 be available to members after completing their probationary period. All state employees are
20 eligible for tuition fee waivers at any state of Washington college after meeting their
21 probationary period in accordance with the provisions of RCW 28B.15.558. Fee waivers should
22 be used when possible to maximize the use of this funding for all members.
- 23
- 24 3.2 The College shall establish a Staff Development Committee with at least two Association
25 appointed members. The Staff Development Committee will determine the content and
26 structure of the staff in-service.
- 27
- 28 3.3 Any fees or registration costs for required training will be paid by the College. Any hours of
29 required training by the College will be paid for at the employee's regular rate, or at the
30 employee's overtime rate if appropriate, unless training is scheduled during the employee's
31 regularly scheduled work hours, in which case the employee will receive his/her regular pay
32 rate.
- 33
- 34 3.4 The College and the Association will develop procedures and criteria which will increase the
35 Association's involvement in both the planning for and authorization of education and in-service
36 opportunities. Such increased involvement and authority could affect up to fifty percent (50%)
37 of the training funds allocated in Subsection 3.1 of the Agreement.
- 38
- 39 3.5 **Educational Increments (Certificates)**
- 40
- 41 Three (3) college credits or thirty (30) hours earned in a College approved training program
42 qualify for one (1) payment of five hundred dollars (\$500). Educational increments will not be
43 prorated. Unused credits and/or hours will be carried over to the next fiscal year only.
44 Employees are individually responsible for obtaining and keeping course or training
45 documentation and submitting such documentation with the College educational increment
46 application form when each thirty (30) hours has been completed. Notification of intent to earn
47 educational increments must be made in writing to the human resource development
48 department for budget purposes by March 15. Actual documentation and verification must be

1 ARTICLE 3 (continued)

2
3 received by the human resources department no later than June 10 of one (1) contract year for
4 payment in July of the following contract year. Employees may submit documentation by June
5 30 if he or she is taking a class spring quarter and the grades are not available by June 10.
6 Employees who need to submit grades after June 10 must notify the Human Resource
7 Development Assistant Director in writing by June 10. Credit and payment will not be given for
8 duplicate training or training not relevant to the individual employee's specific responsibilities or
9 individual personal growth, unless special circumstances result in College authorization for such
10 repeat training. NOTE: Hours of training received during regularly scheduled work hours or for
11 which the employee is paid are specifically excluded from the certificate program.
12

13 **3.6 Degree Stipend**

14
15 One (1) Renton Technical College degree stipend will be paid in July to each qualifying employee
16 who has earned and submits transcripts verification of their degree. A degree stipend of one
17 hundred fifty dollars (\$150) will be paid annually if the employee's highest degree is an associate
18 degree. A degree stipend of two hundred fifty dollars (\$250) will be paid annually if the
19 employee's highest degree is a bachelor's degree. A degree stipend of three hundred fifty
20 dollars (\$350) will be paid annually if the employee's highest degree is a master's degree. The
21 degrees must be from an accredited college or university.
22

23 **3.7** The College recognizes the value of participation in professional organizations. The College
24 agrees to pay for or reimburse full-time employees up to two hundred fifty dollars, (\$250)
25 annually, for each supervisor approved membership in professional organizations. A
26 membership that exceeds \$250 will require approval of the Vice President of Administration and
27 Finance or designee.
28

29 **3.8 Professional Development Plans**

30
31 Each employee has the option to develop a five (5) year professional development plan in
32 consultation with the College, and approved by the supervisor. The plan shall be on file with the
33 supervisor and reviewed annually with the employee. The human resources department shall
34 maintain a file of all such plans and share summarized information with the staff development
35 committee.

43 **4.1** All annual employees will receive twelve (12) days sick leave each year. (NOTE: Article 6.3--six
44 (6) days emergency leave inclusive.)
45

46 **4.2** Former State of Washington and Washington School District employees who are re-employed
47 within five (5) years of their separation from service will have their sick leave balance at the time
48 of separation restored; employees must notify Human Resources within thirty days of hire of a

1 ARTICLE 4 (continued)

2
3 previous sick leave balance.

4
5 4.3 Less than annual employees will receive a prorated portion of one (1) day for each month in pay
6 status of ten (10) days or more.

7
8 4.4 Annual employees shall be credited with one (1) day sick leave per month for each month in pay
9 status of ten (10) days or more.

10
11 4.5 Each employee's portion of unused sick leave allowance shall accumulate from year to year.

12
13 4.6 Sick leave may be used for:

14
15 A. A personal illness, injury or medical disability that prevents the employee from
16 performing his or her job, or personal medical or dental appointments.

17
18 B. Care of family members as required by the Family Care Act (WAC 296-130).

19
20 C. Illness or preventative health care appointments of relatives, significant others and
21 domestic partners when the presence of the employee is required.

22
23 D. Leave for Military Family Leave as required by RCW 49.77 and in accordance with Article
24 5.2.

25
26 E. Leave for Domestic Violence Leave as required by RCW 49.76.

27
28 F. Qualifying absences for Family and Medical Leave (Article 5).

29
30 4.7 A doctor's certificate is required for sick leave absences of the employee that last more than five
31 (5) consecutive days.

32
33 4.8 For each day's absence beyond accumulated sick leave days a deduction of the full day's salary
34 will be made.

35
36 4.9 Employees who qualify for the State's Sick Leave Buy Back program will be eligible for the
37 following:

38
39 A. In January of the year following any year in which a minimum of sixty (60) days of leave
40 for illness or injury is accrued, and each January thereafter, any eligible employee may
41 exercise an option to receive remuneration for unused leave for illness or injury
42 accumulated in the previous year at a rate equal to one (1) day's monetary
43 compensation of the employee for each four (4) full days of accrued leave for illness or
44 injury in excess of sixty (60) days.

45
46 B. Leave for illness or injury for which compensation has been received shall be deducted
47 from accrued leave for illness or injury at the rate of four (4) days for every one (1) day's
48 monetary compensation. PROVIDED, that no employee may receive compensation

1 ARTICLE 4 (continued)

2
3 under this Section for any portion of leave for illness or injury accumulated at a rate in
4 excess of one (1) day per month.

5
6 C. At the time of separation from College employment due to retirement or death, an
7 eligible employee or the employee's estate shall receive remuneration at a rate equal to
8 one (1) day's current monetary compensation of the employee for each four (4) full
9 day's accrued leave for illness or injury.

10
11 D. Should the legislature revoke any benefits granted under this section, no affected
12 employee shall be entitled thereafter to receive such benefits as a matter of contractual
13 rights.

14
15 4.10 In the event an employee is injured or becomes ill while on vacation leave, the employee may
16 submit a written request to use sick leave and have the equivalent amount of vacation leave
17 restored. A written medical certificate may be required.

18
19 4.11 The College may allow an employee who has used all of her or his sick leave to use
20 compensatory time, vacation leave, and personal holiday for sick leave purposes as provided
21 in 4.6 above.

22
23 4.12 **Sick Leave Reporting and Verification**

24
25 A. In the absence of extenuating circumstances, an employee must promptly notify his
26 or her supervisor on his or her first day of sick leave and each day after, unless there
27 is mutual agreement to do otherwise. If an employee is in a position where a relief
28 replacement is necessary if he or she is absent, he or she will notify his or her
29 supervisor at least two (2) hours prior to his or her scheduled time to report to work
30 (excluding leave taken in accordance with the Domestic Violence Act).

31
32 B. An employee returning to work after any sick leave absence may be required to
33 provide written certification from his or her health care provider that the employee
34 is able to return to work and perform the essential functions of the job with or
35 without reasonable accommodation.

36
37 C. Sick leave must be reported by the employee on the appropriate absentee reporting
38 form. Leave used for Family Medical Leave Act (FMLA) purposes should also be
39 reported to Human Resources.

ARTICLE 5

FAMILY & MEDICAL LEAVE

5.1 Consistent with the federal Family and Medical Leave Act of 1993 (FMLA) and any amendments thereto and the Washington state Family Leave Act of 2006 (WFLA), an employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred fifty (1,250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) workweeks of family medical leave in a twelve (12) month period for one (1) or more of the following reasons A through D:

- A. Parental leave for the birth and to care for a newborn child, or placement for adoption or foster care of a child and to care for that child.
- B. Personal medical leave due to the employee's own serious health condition that requires the employee's absence from work.
- C. Family medical leave to care for a spouse, son, daughter, parent or state registered domestic partner as defined by [RCWs 26.60.020](#) and [26.60.030](#) who suffers from a serious health condition that requires on-site care or supervision by the employee. Because the FMLA does not recognize state registered domestic partners, an absence to care for an employee's state registered domestic partner in accordance with the WFLA will not be counted towards the twelve (12) workweeks of FMLA.
- D. Family medical leave for a qualifying exigency when the employee's spouse, child of any age or parent is on active duty or on call to active duty status of the Armed Forces, Reserves or National Guard for deployment to a foreign country.

Qualifying exigencies include attending certain military events, arranging for alternate childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, rest and recuperation, and attending post-deployment reintegration briefings. In addition, the College and the employee may agree that other events which arise out of the covered military member's active duty or call to active duty status qualify as an exigency, provided both agree to the timing and duration of the leave.

5.2 Military Caregiver Leave will be provided to an eligible employee who is the spouse, child of any age, parent or next of kin of a covered service member to take up to twenty-six (26) workweeks of leave in a single twelve (12) month period to care for the covered service member or veteran who is suffering from a serious illness or injury incurred in the line of duty.

During the single twelve (12) month period during which Military Caregiver Leave is taken, the employee may only take a combined total of twenty-six (26) workweeks of leave for Military Caregiver Leave and leave taken for other FMLA qualifying reasons.

The single twelve (12) month period to care for a covered service member or veteran begins on the first (1) day the employee takes leave for this reason and ends twelve (12) months later, regardless of the twelve (12) month period established for other types of FMLA leave.

1 ARTICLE 5 (continued)

2
3 5.3 Entitlement to family medical leave for the care of a newborn child or newly adopted or foster
4 child ends twelve (12) months from the date of birth or the placement of the foster or adopted
5 child.
6

7 5.4 The one thousand two hundred fifty (1,250) hour eligibility requirement noted above does not
8 count paid time off such as time used as vacation leave, sick leave, personal holidays,
9 compensatory time off, or shared leave.
10

11 5.5 The family medical leave entitlement period will be a twelve (12) month period measured
12 forward from the date an employee begins family medical leave. Each time an employee takes
13 family medical leave during the twelve (12) month period, the leave will be subtracted from the
14 twelve (12) workweeks of available leave.
15

16 5.6 The College will continue the employee's existing College-paid health insurance, life insurance
17 and disability insurance benefits during the period of leave covered by family medical leave. The
18 employee will be required to pay his or her share of health insurance, life insurance and
19 disability insurance premiums. The College may require an employee to exhaust all paid leave
20 prior to using any leave without pay, except that the employee will be allowed to use eight (8)
21 hours a month of accrued leave during each month to provide for the continuation of benefits
22 as provided for by the Public Employees Benefit Board.
23

24 5.7 The College has the authority to designate absences that meet the criteria of the family medical
25 leave.
26

27 A. The use of any paid or unpaid leave (excluding leave for compensable work-related
28 illness or injury and compensatory time) for a family medical leave qualifying event will
29 run concurrently with, not in addition to, the use of the family medical leave for that
30 event. An employee, who meets the eligibility requirements listed in Section 5.1, may
31 request that family medical leave run concurrently with absences due to work-related
32 illness or injury covered by workers compensation at any time during the absence.
33 Employees will not be required to exhaust all paid leave prior to using any leave without
34 pay for a compensable work-related injury or illness.
35

36 B. An employee using paid leave during a family medical leave qualifying event must follow
37 the notice and certification requirements relating to family medical leave usage in
38 addition to any notice requirements relating to the paid leave.
39

40 **5.8 Parental and Pregnancy Disability Leave**
41

42 A. Parental leave will be granted to the employee for the purpose of bonding with his or
43 her natural newborn, adoptive or foster child. Parental leave may extend up to six (6)
44 months, including time covered by the family medical leave, during the first year after
45 the child's birth or placement. Leave beyond the period covered by family medical leave
46 and pregnancy disability may only be denied by the College due to operational necessity
47 and per Article 6.4 - General Leaves of Absence. Such denial may be grieved beginning at
48 the top internal step of the grievance procedure in Article [12](#).

1 ARTICLE 5 (continued)

2
3 B. Parental leave may be a combination of the employee's accrued vacation leave, sick
4 leave, personal holiday, compensatory time, or leave without pay. Parental leave may
5 be taken on an intermittent or reduced schedule basis in accordance with Subsection
6 5.10 below.
7

8 C. Pregnancy disability leave will be granted for the period of time an employee is sick or
9 temporarily disabled because of pregnancy and/or childbirth and will be in addition to
10 any leave granted under family medical leave or Washington state family leave laws.
11

12 5.9 The College may require certification from the employee's, family members, or covered
13 service member's health care provider for the purpose of qualifying for family medical leave.
14

15 5.10 Personal medical leave, serious health condition leave, or serious injury or illness leave covered
16 by family medical leave may be taken intermittently or on a reduced schedule basis when
17 certified as medically necessary. Employees must make reasonable efforts to schedule leave for
18 planned medical treatment so as not to unduly disrupt the College's operations. Leave due to
19 qualifying exigencies may also be taken on an intermittent basis.
20

21 5.11 Upon returning to work after the employee's own family medical leave qualifying illness, the
22 employee will be required to provide a fitness for duty certificate from a health care provider.
23

24 5.12 The employee will provide the College with not less than thirty (30) days' notice before family
25 medical leave is to begin. If the need for the leave is unforeseeable thirty (30) days in advance,
26 then the employee will provide such notice as is reasonable and practicable.
27

28 5.13 An employee returning from family medical leave will have return rights in accordance with
29 FMLA and WFLA.
30

31 5.14 Both parties agree that nothing in this Agreement will prevent an employee from filing a
32 complaint regarding FMLA with the Department of Labor or regarding the WFLA with the
33 Department of Labor and Industries.
34

35 5.15 Definitions used in this Article will be in accordance with the FMLA and WFLA. The parties
36 recognize that the Department of Labor is working on further defining the amendments to
37 FMLA. The College and the employees will comply with existing and any adopted federal FMLA
38 regulations and/or interpretations.

2 **ARTICLE 6**

3
4 **OTHER LEAVE**

5 **6.1 Leave Sharing**

6
7 A. Employees may participate in the Washington State Leave Sharing Program in
8 accordance with RCW 41.04.650 and College procedure. Under the provisions of this
9 program, the College shall receive and process requests for leave sharing. Shared leave
10 may be requested and shared to aid another employee who has been called to service
11 in the uniformed services, who is responding to a state of emergency anywhere
12 within the United States declared by the federal or state government, who is a
13 victim of domestic violence, sexual assault, or stalking, or who is suffering from or
14 has a relative or household member suffering from an extraordinary or severe
15 illness, injury, impairment, or physical or mental condition.

16
17 C. The College will determine the amount of leave, if any, which an employee may
18 receive. However, an employee will not receive more than five hundred twenty-two
19 (522) days of shared leave, except that, the College may authorize leave in excess of
20 five hundred twenty-two (522) days in extraordinary circumstances for an employee
21 qualifying for the program because he or she is suffering from an illness, injury,
22 impairment or physical or mental condition which is of an extraordinary or severe
23 nature.
24

25 **6.2 Bereavement Leave**

26
27 A. Up to and including five (5) days leave with pay, including travel time, shall be allowed
28 for bereavement leave for each occurrence of a death in the employee's immediate
29 family, or the immediate family of his/her spouse or domestic partner, which includes
30 spouse, domestic partner, children, mother, father, sister, brother.

31
32 Two (2) days bereavement leave with pay will be allowed in the case of the death of
33 grandparents and grandchildren, or anyone who is living with or considered part of the
34 family.
35

36 B. This bereavement leave is not deducted from sick leave and is not accumulative.

37
38 C. In special cases, the office of the President may extend the definition of immediate
39 family.
40

41 **6.3 Emergency Hardship Leave (Non-Accumulative)**

42
43 A. Six (6) days emergency leave per year, non-cumulative year to year, will be available
44 upon request for each employee without loss of pay (deductible from annual sick leave).
45 Upon written request to the office of the President, employees may be granted
46 additional emergency leave days with pay. Additional days may be granted: (1) if the
47 situation is as defined in this section; (2) if the employee has sufficient sick leave
48 balance to cover the requested days; and (3) if such request is timely and follows the

1 ARTICLE 6 (continued)

2
3 regularly established absence reporting procedures.

4
5 B. The problem must have been suddenly precipitated and must be of such an emergent
6 nature that pre-planning is not possible and where pre-planning could not relieve the
7 necessity for the absence during the working hours.

8
9 C. Emergency leave may not be taken the day before or the day after a holiday or in any
10 combination for purposes of extending vacations.

11
12 D. This leave may be used for any personal reasons of an emergency nature, including
13 illness or injury in the family except as provided in Subsection C.1, funeral of friends or
14 legal or personal affairs that cannot be scheduled outside the normal working day.

15
16 E. Weather conditions for local travel to and from school shall be considered as a valid
17 reason for an emergency leave, EXCEPT for "emergency staff" who must work his/her
18 assigned shift, unless on a pre-approved leave, during time of inclement weather.

19
20 F. Emergency leave for purposes of illness in the immediate family, including domestic
21 partners legal affairs, business affairs, and/or funerals not covered by bereavement
22 leave should be cleared through the department supervisor and then reported on the
23 usual absentee report.

24
25 G. Emergency leave for other or unusual circumstances should be cleared through the
26 department supervisor and then reported on the usual absentee report for final payroll
27 approval by the personnel department.

28
29 H. Employees with special hardship situations may be granted additional emergency days
30 by the President.

31
32 **6.4 General Leaves of Absence**

33
34 A. Upon written request from the employee and upon approval of the College President,
35 unpaid leave of absence may be granted to any employee for such things as: (a) illness;

- A. The Association recognizes the College's inherent and traditional right to manage its respective business, as has been its practice in the past.
- B. The Association recognizes the right of the College to hire, suspend, transfer, promote, demote, or discipline its employees and to maintain the discipline and efficiency of its employees; the right (which shall be exercised as provided in the paragraph hereof relating to termination of employment) to layoff, terminate and otherwise relieve employees from duty because of lack of work for them to do, or for other reasons set forth in this Agreement; the right to establish and change or consolidate jobs; the right to direct the methods and processes of doing work, to introduce new, improved work methods or equipment, and to assign work to outside contractors; the right to determine the starting and quitting time and the number of hours to be worked; and the right to reasonably make and amend such rules and regulations as it may deem necessary for the conduct of its business, and to require their observance. All matters not specifically and expressly covered by the language of this Agreement may be administered for its duration by the employer in accordance with such policies and procedures as it from time to time may determine. If an issue arises that must be administered by management that issue will be allowed as an article that may be negotiated at the start of the following contract year. Such an issue will not affect 15.3.
- C. The exercise of the College's rights stated herein is an exclusive function of management.
- D. The exercise of the management rights herein does not modify the employee's right to appeal through the grievance procedure as set forth in this Agreement when, in the opinion of the Association, such exercise violates the letter and intent of the Agreement.

ARTICLE 14

NO STRIKE PLEDGE

The Association and the College recognize and agree that strikes are not conducive to harmonious working relations and may be disruptive to the educational process and should not occur. The Association and the College subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the College operations. The Association, therefore, agrees that there shall be no strikes or other concerted refusal to work, nor any instigation thereof, by the employees for the duration of this contract.

1 ARTICLE 14 (continued)
2

3 The Association further agrees not to honor, or to encourage employees in the bargaining unit
4 to honor any strikes, picket lines, or other concerted work stoppages that may be established by
5 any other College employee organization. The College agrees that, for the duration of this
6 contract, there shall be no employee lockout.

10 **ARTICLE 15**

11
12 **TERM AND SEPARABILITY OF PROVISIONS**
13

14 15.1 The term of this Agreement shall be July 1, 2014 to June 30, 2017.
15

16 15.2 All provisions of this Agreement shall be applicable to the entire term of this Agreement
17 notwithstanding its execution date, except as provided in the following section.
18

19 15.3 This Agreement may be reopened and modified at any time during its term upon mutual written
20 consent of the College and the Association. The parties may each identify five (5) sections of
21 this contract in each year of the agreement.
22

23 15.4 This Agreement shall be reopened as necessary to consider the impact of legislation enacted
24 following the execution of this Agreement which affects the terms and conditions herein. All
25 contract modifications will be in conformance with state legislative action and the attending
26 Washington Administrative Codes and, if found not in conformance by government regulatory
27 agencies or a court of law, the provisions in question shall be deemed invalid and proper
28 modifications and necessary adjustments shall be made to bring the College into conformance.
29 Also, collective bargaining may be initiated at the request of either party to adjust, where
30 necessary, contract language to reflect the adjustments that have been necessary to bring the
31 College into compliance with the law.
32

33 15.5 If any provision of this Agreement or the application of any such provision is held invalid, the
34 remainder of this Agreement shall not be affected. Such provision shall be subject to
35 negotiation pursuant to a written request by either party.
36

37 15.6 This Agreement constitutes the negotiated agreements between the employer and the
38 Association and supersedes any previous agreements or understandings, whether oral or
39 written, between the parties. In addition, this Agreement supersedes any rules, regulations,
40 policies, resolutions or practices of the employer which shall be contrary to or inconsistent with
41 its terms.
42

43 15.7 Agreement expressed herein in writing constitutes the entire Agreement between the parties
44 and no oral statement shall add to or supersede any of its provisions.
45

46 15.8 The parties acknowledge that each has had the unlimited right and opportunity to make
47 demands and proposals with respect to any matter deemed a proper subject for negotiations.
48 The results of the exercise of that right and opportunity are set forth in this Agreement.

1 Therefore, the employer and the Association for the duration of this Agreement each voluntarily
2 and unqualifiedly agree to waive the right to oblige the other party to negotiate with respect to
3 any subject or matter covered or not covered in this Agreement unless mutually agreed
4 otherwise.

10 **ASSOCIATION-MANAGEMENT COMMUNICATION COMMITTEE**
11

12 16.1 The College and the Association support the goal of a constructive and cooperative relationship.
13 To promote and foster such a relationship, an Association-Management Communication
14 Committee will be established. The purpose of the committee(s) is to provide communication
15 between the parties, to share information, to address concerns and to promote constructive
16 union-management relations. Agenda items may include, but are not limited to: administration
17 of the Agreement, changes to applicable law, legislative updates, resolving workplace problems
18 and/or organizational change. The committee(s) will meet, discuss and exchange information of
19 a group nature and general interest to both parties.
20

21 16.2 Employees attending pre-meetings during their work time will have no loss in pay for up to sixty
22 (60) minutes per committee meeting. Attendance at pre-meetings during the employee's non-
23 work time will not be compensated for nor be considered as time worked.
24

25 16.3 Employees attending committee meetings during their work time will have no loss in pay.
26 Attendance at meetings during employees' non-work time will not be compensated for nor be
27 considered as time worked.
28

29 16.4 All committee meetings will be regularly scheduled on mutually acceptable dates and times.
30 Agenda items will be exchanged five (5) work days prior to the meeting date. Summary minutes
31 will be taken of the meeting and consist of the topics discussed and disposition of each. Copies
32 of the minutes shall be exchanged electronically and corrections made within seven (7) working
33 days after the meeting. If the topics discussed require follow-up by either party, it will be
34 documented and communication will be provided by the responsible party.
35

36 16.5 Committee meetings will be used for communications between the parties, to share information
37 and to address concerns. The committee will have no authority to conduct any negotiations or
38 modify any provision of this Agreement. If any matter remains unresolved at the Association-
39 Management Communications Committee, the parties may agree to submit the dispute to an
40 Alternative Dispute Resolution (ADR) process. If the parties do not mutually agree to ADR, or if
41 the matter is not resolved through the ADR process, the issue may be pursued as a grievance in

MEMORANDUM OF UNDERSTANDING BETWEEN
RENTON TECHNICAL COLLEGE AND THE RENTON
PROFESSIONAL TECHNICAL ASSOCIATION

Renton Technical College ("College") and the Renton Professional Technical Association ("Association") agree to the following language to govern Association members during College closure:

Closure Determination:

The College President or designee (or in some cases the Governor) is authorized to suspend the operation of all or any portion of the College if, in his or her opinion, an emergency condition makes the closure advisable. Emergency situations include, but are not limited to: severe weather conditions, natural disaster related hazards, and mechanical or equipment failure.

If the College is closed, the buildings will be closed and non-emergency staff cannot report to work. Due to safety issues the only people allowed on campus will be the emergency staff.

In the event the Governor closes the College, no employee is required to take leave for the period of time the College is closed, unless the Governor declares otherwise.

When the College is closed by the President or designee prior to an employee's designated shift and the closure continues through the entire shift:

- A. Employees scheduled and not required to work during the disruption will have no loss in pay for the first full day.
- B. The following options will be made available for time lost for the balance of the closure:
 - 1. emergency leave (this is deducted from available sick leave balance),
 - 2. personal convenience or personal holiday (if available),
 - 3. vacation (if available),
 - 4. previously accrued compensatory time (if available),
 - 5. leave without pay.
 - 6. Employees may make up time lost (and not compensated for) during the same workweek. This time is not subject to shift differential or overtime.
- C. If the employee reports to work for his/her regular shift and the College is subsequently closed during the shift and the employee is instructed to go home, the employee will not have to take leave for the period of time the College was declared closed during that shift.
- D. If the employee does not report to work for his/her regular shift and the College is subsequently closed during the shift, the employee must take leave for the entire shift.

- E. If the employee does not report to work for his/her regular shift due to inclement weather or disaster hazards and the College is not declared closed during the shift, the employee must take leave for the entire shift.
- F. Employees who already had an approved leave at the time of the College closure will be charged leave as they would have been had the closure not occurred.
