CAMPUS SECURITY DEPARTMENT
The primary goal of RTC Security is to provide a safe learning and working environment for all RTC students, staff, faculty, and visitors. The RTC Security department accomplishes this through crime prevention and technological advances to improve security on campus. Security staff accomplish this through pro-active patrol, and engaging RTC community members with integrity, respect, and commitment to service. Student success is a core theme of RTC and one of the characteristics that sets us apart from other Higher Educational institutions. RTC Security believes a safe learning environment for the community promotes success of all departments and students. Renton Technical College Campus Security office is located in building N-103 and is staffed with administrative personnel from 7:00am to 4:00pm M-F and Security Officers from 6:00am to 10:00pm M-F, 6:00am to 12:00am Saturdays. To reach a Security Officer call 425-235-7871.

Security Officers provide proactive patrol of campus facilities and property, parking enforcement, emergency response coordination, incident reporting, vehicle unlock assistance, vehicle jumpstart assistance, and campus escorts to the campus community either walking or by vehicle when requested and available.

RTC Security Officers are not conduct officers, however, RTC Security works closely with other campus departments such as the office of Student Success for student conduct referrals and the office of Human Resources for investigations of Title IX complaints. RTC Security will also work in conjunction with Local, State, and Federal Police when alerted of an active investigation or when investigating criminal activity.

RTC Security would like to encourage anyone who is a victim of a crime on or off campus to report the incident so RTC can help provide support services as available to those in need. If you would like to file a report please call 425-235-7871 to speak with one of our Security Officers. In addition to filing a report, please see the community resources 2017-2018 STUDENT HANDBOOK section of the handbook.

Students who have had program-related coursework at other institutions prior to attending Renton Technical College may be awarded transfer credit. To have your transcript evaluated, submit your Official Transcript and a Request for Transcript Evaluation form to the Office of Enrollment Services. Once the paperwork is submitted, determinations are generally made within two weeks.

TRANSCRIPT EVALUATION
TRANSCRIPTS
Official & Unofficial Transcripts
Both the official and the unofficial transcripts contain the same information about a student's academic record at Renton Technical College: a chronological list of classes, grades, and credits.

Official Transcript (Online only)
An official transcript includes the Registrar’s signature, the Renton Technical College seal, and the date issued. An official transcript is delivered in a sealed envelope that should not be opened by anyone except the addressee. RTC has authorized The National Student Clearinghouse to process and accept payment for transcript requests. Each official transcript order will be assessed a service fee of $2.25. Multiple transcripts may be sent to the same addressee for no additional charge up to a maximum of 10 copies. It typically takes 2-3 business days to process an order, but may take up to a week. This does not account for an additional 2-3 days to reach the addressee by mail.

Unofficial Transcript
An unofficial transcript consists of the student’s academic record without signature, seal, date, or sealed envelope. There is no fee to obtain your unofficial transcript. Viewing an unofficial transcript is the best way for students to get their grades once they have been posted after the quarter’s end. To access your Unofficial Transcript, click on the link below and then click ‘Transcript’ on the bottom left of the proceeding page. You will need your Student ID and your Student PIN to obtain your unofficial transcript.

Transcript Evaluation
Transfer credits from other institutions will be considered upon validation of transcripts and assessment of coursework. Students interested in transferring credits from other institutions
should have an official transcript sent directly to the Credentials Evaluator at Renton Technical College. Transcripts will be evaluated within 2 weeks after the Transcript Translation Request Form is completed and returned to Enrollment Services. These forms are available in Enrollment Services or online at http://www.rtc.edu/student-forms-library

General parking rules

Students are required to park in student parking lots on weekdays unless a visible ADA permit is displayed on the vehicle. Students may park in any parking lot on weekends, ADA and Fire Lane restrictions are always enforced.

Vehicles must be parked inside a set of white parking lines. If there are no white lines indicating a parking space is available, a vehicle cannot be parked in that location.

Parking on roadways, Fire Lanes, blocking loading zones, blocking service driveways, blocking sidewalks, blocking ADA ramps, and parking in any landscape area on campus is prohibited. In addition to receiving parking citations from RTC, City of Renton Parking Enforcement patrols the campus as well and enforces ADA and Fire lane violations.

Reserved parking spaces require a special permit separate from student and staff issued permits.

In addition to imposing fines, vehicles may be impounded for the following violations: Blocking a roadway and impeding flow of traffic, blocking a fire hydrant, blocking a fire lane, creating a safety hazard, blocking another legally parked vehicle, parking in a marked “tow-away” zone, and due to refusal to pay outstanding parking citations.

STUDENT RIGHTS AND RESPONSIBILITIES

STATEMENT OF STUDENT RIGHTS
As members of the academic community, students are encouraged to develop the capacity for critical judgment and to engage in an independent search for truth. Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus, and in the larger community. Students should exercise their freedom with responsibility. The responsibility to secure and to respect general conditions conducive to the freedom to learn is shared by all members of the college community.

The following enumerated rights, academic freedom and due process, are guaranteed to each student within the limitations of statutory law and college policy which are deemed necessary to achieve the educational goals of the college.

STATEMENT OF STUDENT RESPONSIBILITIES
The college may impose disciplinary sanctions against a student who commits, or aids, abets, incites, encourages or assists another person to commit, an act(s) of misconduct, which include, but are not limited to the following prohibited conduct as outlined in the Student Conduct Code & Hearing Procedures, provided below.

STUDENT CODE OF CONDUCT & HEARING PROCEDURES
- Student Code of Conduct
- Hearing Procedures

STUDENT CONCERN PROCESS
The student concern process provides students a way to resolve problems. This process is a conduit for a student to address instructional and non-instructional concerns.

The student concern process does not apply to complaints related to sexual, racial, and other harassment, or bias-related behaviors. If a concern of this nature occurs, the report should be filed with the Office of Human Resources, per RTC Policy/Procedure 4.1, Equal Opportunity and Non-Discrimination Policy and Complaint Procedure and 4.2, Sexual Harassment / Discrimination Procedure. For instructions on how to file a student concern, visit: [http://www.rtc.edu/student-rights-and-responsibilities](http://www.rtc.edu/student-rights-and-responsibilities)

NOTIFICATION OF TITLE IV STUDENT COMPLAINT PROCESS
The Higher Education Act (HEA) prohibits an institution of higher education from engaging in a “substantial misrepresentation of the nature of its educational program, its financial charges, or the employability of its graduates.” 20 U.S.C. §1094(c)(3)(A). Further, each state must have “a process to review and appropriately act on complaints concerning the institution including enforcing applicable state laws.” 34 C.F.R. § 600.9. The Washington State Board for Community and Technical Colleges (SBCTC) maintains a process to investigate complaints of this nature brought by community and technical college students in the state of Washington. For information, contact SBCTC Student Services, PO Box 42495, Olympia, WA 98504-2495, ballinder@sbctc.edu, 360-704-4315 or visit [sbctc.edu](http://www.sbctc.edu).

The policy is available in the front section of the quarterly class schedule, in the school catalog, or at Enrollment Services. It is also advised that students check with Financial Aid before withdrawing. It could impact future Financial Aid eligibility.
