

FAST FACTS

OUR MISSION

Renton Technical College engages a diverse student population through educational opportunities for career readiness and advancement, serving the needs of individuals, the community, businesses, and industry. Equity and inclusion are at the heart of our mission, welcoming students from all backgrounds.

OUR PROGRAMS

We offer a breadth of programs designed to meet students where they are and move them ahead to greater opportunity, including short- and long-term career training programs, college transfer courses, and adult basic education.

Year: **\$4,701**

**All information based on latest available data. Age and gender exclude apprenticeships. Diversity percentages may exceed 100% because some students self-identify with multiple races/ethnicities.*

LEADERSHIP

“Driven by our deep commitment to student success and serving a diverse population, RTC meets students where they are in their educational journey and moves them forward to greater opportunity. Our values—among them community, equity, empowerment, integrity, and learning—speak to the kind of place RTC is.

Dr. Kevin McCarthy
President, Renton Technical College
