NOTE: The Washington State Legislature has appropriated funds for a 5% King County Premium Pay (KCPP) general wage increase on base salaries. Because the KCPP is separate funding contingent on appropriations from the Legislature and not part of the general wage increase, it will not be used in the calculation of future wage increases. Furthermore, if future allocations from the state does not fund the KCPP, the college will reduce the salary table accordingly and with appropriate notice to the union. Any employee who has 10 or more years of seniority on July 1st shall receive an annual longevity stipend of \$400.
