NOTE: Food Service workers who demonstrate will receive an additional \$1.00 per hour for demonstration hours. One year of service equals a minimum of 135 days worked in a contract year. All benefit eligible employees who have been college employees and have been a member of AFT RTC Classified for ten (10) years will receive a longevity stipend of \$500 on July 1.

NOTE: The Washington State Legislature has appropriated funds for a 5% King County Premium Pay (KCPP) general wage increase on base salaries. Because the KCPP is separate funding contingent on appropriations from the Legislature and not part of the general wage increase, it will not be used in the calculation of future wage increases. Furthermore, if future allocations from the state does not fund the KCPP, the college will reduce the salary table accordingly and with appropriate notice to the union.
