## **Charter College - Transfer Equivalencies**

The classes listed below have automatic transfer equivalencies. Most classes will receive 4.5 credits in transfer except where indicated. Additional classes and credits may transfer from Charter College to Renton Technical College (RTC) after review by faculty and program deans.

Note: The RTC Class Number 900 indicates that we do not have the same class, but you still receive elective credit for the listed program or the listed General Education

## **Charter College - Transfer Equivalencies**

The classes listed below have automatic transfer equivalencies. Most classes will receive 4.5 credits in transfer except where indicated. Additional classes and credits may transfer from Charter College to Renton Technical College (RTC) after review by faculty and program deans.

Note: The RTC Class Number 900 indicates that we do not have the same class, but you still receive elective credit for the listed program or the listed General Education
