

# Northwest College of Art and Design - Transfer Equivalencies

The classes listed below have automatic transfer equivalencies. Additional classes and credits can transfer from Northwest College of Art and Design (NCAD) to Renton Technical College (RTC) after review by faculty and program deans. Your semester credits will be converted to quarter credits (every 2 semester credits equals 3 quarter credits).

Note: The RTC Class Number 900 indicates that we do not have the same class, but you still receive elective credit for the listed program or the listed General Education distribution credit.
