SUMNER-BONNEY LAKE SCHOOL DISTRICT

INSTRUCTIONAL SERVICES

Sumner- Bonney Lake School District and Renton Technical College
Running Start Equivalency Guide

Attention: RTC offers some courses for Running Start students at their Renton Technical College High School. It is not advisable to have students take courses at the Renton Technical College High School while attempting to earn a SBLSD diploma. These courses do not all have a SBLSD high school equivalent if they are one quarter long and transcripted as "adult completion" courses. Please contact a Curriculum Director to discuss options prior to allowing a student wishing to earn a SBLSD diploma to enroll in courses at the technical high school.

Courses meeting high school graduation requirements may not meet university entrance requirements. Check with individual universities or

https://wsac.wa.gov/ for minimum entrance requirements for Washington universities.

A single course may not be used to satisfy a credit requirement for more than one subject.

Please consult with your high school counselor if a course is not listed in this guide or you have questions about graduation credit requirements.

1 college credit = .2 high school credit 2 college credits = .4 high school credit 3 college credits = .6 high school credit
5 college credits = 1.0 high school credit

*Counselors, please verify all CTE credits with CTE Executive Director prior to student enrollment.

**Graduation requirements include two lab sciences and one lab or non-lab science. For students to be prepared for the Washington Comprehensive Assessment of Science (WCAS), courses should address Life Sciences (biology), Physical Science (chemistry/physics), Earth and Space Science, and Engineering.
